

Manage the challenges

together with your **Trusted Advisor**

WE ARE LOOKING FOR:
(Senior) Manager
Finance Strategy (m/f/d)

LOCATION:
Remote work (ASG region)

WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

WE ARE LOOKING FOR...

a **(Senior) Manager - Finance Strategy (m/f/d)** for the implementation of our clients' finance strategy with the following responsibilities:

- **Analysis and recording of customer requirements** and use cases in the field of finance
- Development and creation of **finance strategies and roadmaps** tailored to the respective customer requirements
- Identification of improvement potentials in the context of the **transformation of the finance organization**
- **Conceptual implementation** of the finance strategy as well as definition of the finance IT architecture, taking into account state-of-the-art technologies (e.g. process automation)

WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree in **Business Informatics, Business Administration** or a comparable field with **several years of professional experience**, preferably in a consulting firm
- Several years of **practical experience in projects** with a focus on the **development and conceptual implementation of finance roadmaps or finance strategies**
- **Experience in direct interaction with decision-makers up to board level**
- **Project experience** (agile and waterfall methodology) in both local and international markets, combined with a high degree of **work independence and a solution driven mindset**
- Ability to assess and balance requirements between business and IT
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training** and personal **coaching**
- **Bike leasing** and fitness with EGYM Wellpass
- **Latest hardware** (choice of smartphone) - also for private use
- **Corporate events** such as regional regulars' tables, annual kick-off and the legendary Family & Friends summer event
