

Manage the challenges

together with your **Trusted Advisor**

WE ARE LOOKING FOR:

Job title (m/f/d)

Manager Cyber Security (m/f/d)

LOCATION:

Remote work (ASG region)

WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

WE ARE LOOKING FOR...

a **Cyber Security Manager (m/f/d)** for the implementation of security strategies and solutions of our customers with the following activities:

- Advising customers on the design and implementation of security strategies
- Planning and management of the introduction of cyber security solutions as well as their roll-out
- Monitoring and optimization of security measures
- Conception and analysis of security incidents, as well as definition of appropriate security measures
- Build and maintain customer relationships to understand and meet their security needs
- Support in the offer and presales process

WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree (e.g. in **Computer Science or Business Informatics**), or a comparable training in with professional experience
- **Several years of professional experience** - preferably in a consulting firm with extensive knowledge in the **cyber security**
- Very good MS Office skills
- A high level of enthusiasm and motivation regarding cyber security trends and technologies
- Strong analytical thinking and problem-solving skills.
- Independent and self-organized way of working
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training and personal coaching**
- **Bike leasing** and fitness with **EGYM** Wellpass
- **Latest hardware** (choice of smartphone) - also for private use
- **Corporate events** such as regional regulars' tables, annual kick-off and the legendary Family & Friends summer event

YOUR FIRST STEP TOWARDS A NEW CAREER...

Per Mail

Simply send us your CV by e-mail to recruiting@adexpartners.com - no cover letter, no references or certificates.

Per Link

If you don't have a CV at hand, a link to your well-maintained XING or LinkedIn profile is sufficient.
